**ADULT & SENIOR'S  
WORKSHOPS**

Our instructors all have extensive education and experience in theatre and working with children and youth.

## ADULT THEATRE

**ACTING BASICS:** Whether you are a young person who has graduated from our Youth Program or an established adult actor who wants to continue to hone your skills, this program will reiterate theatre basics and expose participants to character development, movement, directing and delivering monologues for auditions and performance.

**ADULT IMPROV:** Think fast! Through the use of games and exercises, participants will develop the skills of fast thinking and movement that are essential for successful live audience performances. A fun and fast-paced course that is a must for any performer.

**ACTING BASICS**  
Wednesdays 6:00 – 7:30 PM  
(1.5 hours)  
January 8, 2014 – May 7, 2014
